

BE PRESENT

Tied & Two creates user-friendly websites with both truly custom design and effective interaction in mind on both Wordpress and SquareSpace platforms, whichever is best suited to your business.

In addition to visual layout, we offer distinct content creation and copywriting to help boost our client's reputation and integrity.

LET'S POLISH YOUR BRAND WITH
AN ESTABLISHED WEB PRESENCE

WORDPRESS

INTRO PAGE

Our introduction pages are the perfect placeholder for growing businesses not quite ready to launch a full website.

They're ideal for kicking off your web presence if your content is incomplete, such as lacking copy or photography. And guess what—we can help with that!

A QUICK COMPARISON

WORDPRESS

Wordpress is ideal for fully-customized, detailed websites for clients who want us to handle everything from top to bottom.

This developer-focused platform offers more customization and capabilities, but is perfect for Tied & Two to handle updates and maintenance.

SQUARESPACE

SquareSpace is template-based and therefore ideal for clean design with limited customization, but allows non-developer users (clients!) maintain easily.

Our SquareSpace process requires clients to handle billing and maintenance, although we still offer monthly updates within our package to get you started.
